

## HIPPA Training Module Quiz

- T F 1. HIPPA stands for Health Insurance Portability Act.
- T F 2. The date for compliance with HIPPA privacy standards is April 14, 2003.
- T F 3. The HIPPA regulation affects only electronic transmission of health information.
- T F 4. PHI stands for Protected Health Information.
- T F 5. Premier Healthcare Staffing is considered a 'business associate' of hospitals, clinics, and other healthcare providers subject to HIPPA.
- T F 6. You must know and comply with the privacy policies and procedures of any organization where you work.
- T F 7. The HIPPA regulation affects me and my responsibilities to the patients that I provide services for.
- T F 8. You are allowed to repeat protected health information only when it is necessary to do your job.
- T F 9. Only information that would virtually be impossible to identify the person is not subject to privacy rules.
- T F 10. No one will ever know that I don't follow the law about privacy, so I can ignore the part about criminal penalties.

I certify that I have completed the HIPPA privacy training. I understand and will honor all of the organization's privacy policies and procedures. I am aware that violations of the privacy policies and procedures may result in disciplinary action including termination.
